DAY EIGHT OF JOEY'S 30 DAY CHALLENGE

Exercise Challenge:

Today's Challenge: Home Workout.

**You will need a set of dumbbells that are challenging to you
Ladies 8lbs or 10lbs and Guys 15lbs or 20lbs**

So lets get you set up for a home workout

Push Ups - 3 sets of 15 - take a maximum of 1 minute recovery between each set.

50 Bicycle Crunches - 25 of them fast and the last 25 slow with control and exaggerating the twist of the trunk trying to get the elbow to knee connection each time.

50 Jump Squats - Start in a nice low squat, leap up from your squat and reach towards the ceiling and then land back in your squat position - you have 50 to complete - feel free to take mini breaks after every 10 or 15 if needed.

50 Dumbbell Lunges - I have spoken about form with lunges already in this challenge - same rule applies. Back knee almost touches the ground, front knee does not go past the front toes, chest back tall posture and try and go directly from one lunge to the next - a minute recovery can be taken at 25 if needed.

Push ups - 3 sets of 15 - take a 1 minute break between each set.

Bicep Curls - 4 sets of 15 - take a 30 - 45 second recovery between each set. Make sure you are getting a full range of motion. Arms down all the way till straight and then curl up. Back stays straight and as you tire do not go in to panic mode and just keep curling and believe it will come up.

100 Dumbbell Squats - Again taking mini breaks as needed. Dumbbells are held shoulder level.. Feet at around hip width apart. Keep the weight in your heels as you sink down into a squat. Be mindful of the knees and ensure that they are going in the same direction as the feet and that the knees do not go forward of the toes. Push through the heels to pick yourself back up to an upright standing position and repeat.

250 Crunches of your choice - stay with the one variation you pick for entire 250

Push ups - 3 sets of 10 - take up to a 1 minute break between sets

Go out doors on a 20 minute run - not far, not long - go at a good pace - so that you work a sweat and are somewhat out of breath by the end of it.
